

# Participation Agreement

# CET

The C.E.T Testing Panel (CTP) is a program administrated by Cutting Edge Testing in order to provide the adult industry with a safe, reliable, standardized STI and COVID-19 testing protocol and a centralized database for checking the clearance to work status of testing talent and crew members.

### Participation Information

All information must exactly match your government issued ID.

You want to (choose one)  Register for the first time  Update your personal information

(First, Middle Initial, Last name)

(Date of Birth)

(Email Address)

(Phone Number)

### CPT Consent

I hereby consent to adding CET CPT to the HIPPA agreement with the provider and permit the provider to transfer information regarding my clearance to work status in accordance with CPT protocols and procedures. I understand that to protect my personal privacy, the only information that will be transmitted is the personal information above, and the clearances to work status and test date. I understand that verified producers and agents as well as other CPT participants will be able to access the CPT system with a valid login. I understand that I may be contacted in case of a possible exposure incident, any general health alert, or other pertinent information.
